Public Workshop on Humboldt River Modeling Efforts

CARSON CITY, Nev. – The Nevada Division of Water Resources will hold a public workshop to provide information on Humboldt River Basin water modeling studies by the U.S. Geological Survey and the Desert Research Institute. The public workshop will be held as follows:

DATE: **Thursday, February 4, 2021**

TIME: **8:30 a.m.**

LOCATION: <https://call.lifesizecloud.com/7037342>

OR, for audio only by phone: (877) 422-8614, Extension 7037342

IF, link unavailable, please use live stream backup link:

<https://stream.lifesizecloud.com/extension/7037342/09ff4d91-d6f7-403c-a245-69e954e2f840>

NOTE: This meeting will be held via videoconference/teleconference only.*

*Pursuant to Governor Sisolak's March 22, 2020 Declaration of Emergency Directive 006, the requirement contained in NRS 241.023(1)(b) that there be a physical location designated for meetings of public bodies where members of the public are permitted to attend and participate is suspended in order to mitigate the possible exposure or transmission of COVID-19 (Coronavirus). Accordingly, anyone planning to participate must do so by using the video- or tele-conference link or number above.

If you plan to have questions or comments during the Q&A portion of the meeting, please register using the digital sign-in sheet found on the Division's website at <http://water.nv.gov> in the "Recent News" section. Meeting materials and further information will also be provided in "Recent News" as they may come available. A copy of the workshop presentation will be posted on the website on the day prior to the meeting. If you are unable to attend this workshop, a recorded version will be posted on the website on the day after the meeting.

If special arrangements for the meeting are necessary, please contact Levi Kryder at lkryder@water.nv.gov or call (775) 684-2800.
