If you are renewing your license with less than 8 continuing education units and you are filing a paper renewal, please note how many credits that you will need an extension for on the CEU summary sheet. Under description write COVID-19. If you are filing an online renewal, please select the COVID-19 option from the dropdown menu and select the appropriate amount of credits. For example, if you have 6 CEUs you will note 2 CEUs with the description COVID-19. As a reminder these are not actually worth any credits but are being used as placeholder to grant you an extension on the amount of credits that you need. If you have any questions, please contact Jake Echeverria at [Jecheverria@water.nv.gov](mailto:Jecheverria@water.nv.gov).
