Online Class

May 17, 2022, 8:00 am to 12:00 pm

Online Class

Required Courses

The required Regulation and Forms course will remain a four-hour course, three hours covering the regulations portion and one hour covering the forms portion. You will receive 4 Continuing Education Units (CEU's) for attending this course. All well drillers can check the status of their license, which will show how many CEU's they have, and if they need the required Regulations and Forms course at <http://water.nv.gov/ContinuingEducation.aspx/>

This course is required every other renewal period. Additional opportunities to attend the Regulations and Forms courses can be found on our website. For more information on an event hosting the Regulations and Forms courses, please visit that specific event's website.

You must attend the Regulation and Forms Course in its entirety to obtain credit for the required course.

New Well Drilling Regulations were approved for 2021. A copy of the new approved regulations can be found on our website at water.nv.gov > programs > 2020 Adopted Amended Well Driller Regulations.

According to the newly adopted regulations, 24-hour notices are now required for all well drilling work (not just plugging). Please email your 24-hour notices to ndwdrilling@water.nv.gov. This does not include reconditioning work or pump work.

2021-2022 Examination Dates and Times

Written exams for parts I and II of the well driller examination are offered in January, March, April, June, July, September, October, and December. The exam will begin promptly at 8:30.

The Statewide Well Drillers Advisory Board meets in February, May, August and November to conduct part III of the well driller examination. This exam is scheduled by appointment.

The schedule is as follows:

July 6, 2021 – Written Examination parts I & II in Carson City, Elko and Las Vegas

August 17, 2021 – The Board meets online to conduct part III of the exam

September 14, 2021 – Written Examination parts I & II in Carson City, Elko and Las Vegas

October 5, 2021 – Written Examination parts I & II in Carson City, Elko and Las Vegas

November 16, 2021 – The Board meets online to conduct part III of the exam

December 14, 2021 – Written Examination parts I & II in Carson City, Elko and Las Vegas

January 4, 2022 – Written Examination parts I & II in Carson City, Elko and Las Vegas

February 8, 2022 – The Board meets online to conduct part III of the exam

March 8, 2022 – Written Examination parts I & II in Carson City, Elko and Las Vegas

April 13, 2022 – Written Examination parts I & II in Carson City, Elko and Las Vegas

May 10, 2022 – The Board meets online to conduct part III of the exam

June 7, 2022 – Written Examination parts I & II in Carson City, Elko and Las Vegas

Please Note: Due to lack of participating applicants, this office may change and/or cancel any of the scheduled examination dates listed above.

Who to contact within the Well Drilling Section of the Nevada Water Resources

The Nevada Division of Water Resources Well Drilling Program is striving toward making this a better program and we ask that if you have any thoughts, ideas or concerns, give us a call so that we may address those issues.
