## Nevada Regulation Presentation Topics:

### Well Driller Information Updates

- NOI procedural change
- Pilot hole plugging
- Continuing Education
- Domestic Wells

### What is needed to drill a well

- Exceptions
- Water Right Permit Verification

### Waivers

### Water Rights

- Typical Permit Process
  - Sanitary Seals
  - Plugging
- Temporary Permit Process

### Well Casing

- PVC well casing

### Well Drilling –vs– Safe Drinking Water Regulations

- GPS Basic Overview

## **\*NO FOOD OR DRINKS ALLOWED\***

The State of Nevada, Division of Water Resources would like to invite you to one of their regulation workshops. Part of a Nevada Licensed Well driller's requirement is that they must have two (2) CEU's within a two (2) year period that pertains to Nevada Well Drilling Regulations. To Satisfy this requirement the well driller can attend one of the regulation course's that the Nevada Division of Water Resources offers. Attendance at a course either this license period (2010-2011) or next license period (2011-2012) is necessary to meet the requirement in order to renew their license.

Note: There is limited seating at ALL locations, please contact Sue Gilbert at (775) 684-2838 or email [sgilbert@water.nv.gov](mailto:sgilbert@water.nv.gov) to reserve your seat.
